

We are a young rapidly developing, ambitious company from Poland.

We would like to offer you a big range of handmade product:

flower vases, lamp bowls, souvenirs, glassware, etc.

All those items produce by the polish glassmakers who have an extensive experience in such kind of manufacturing.

They try to keep traditions of their ancestors.

We can produce almost all from the glass. Just inform us about your order and we'll immediately start working on it.

Our advantages:

- High European quality of the glass
- Modern shapes
- The capable prices
- The height of the vase can be from 1 inch till 50 inch (from 1 cm till 150cm-may be higher)
- Please, think about your own shape of the vase and our professionals can produce it.
- Very good terms and conditions of delivery.

One more thing:

our specialists can produce different souvenirs from the clear or colored glass.

Hope on the future cooperation,

MP GLASS team.
